

Week 2

Dear Parent/Carer,

On Thursday 6th October, the Green Jays have an amazing opportunity to attend a STEM transition day at Furness Academy. The day will feature activities focusing on the disciplines of STEM (Science, Technology, Engineering and Maths). This will be a great 'hands-on' workshop with lots to learn and experience.

We will be collected and returned via transport provided by Furness Academy. Pupils will need to wear school uniform and this is compulsory as we will be representing North Walney Primary school. Lunch is provided by the hosting school.

Pupils will be expected to arrive at our school as normal and will be dismissed from school at the usual time. Pupils who do not display the behaviour that is expected in school will not attend the trip.

If you have any queries or concerns, please do not hesitate to contact me.

Yours sincerely,

Stephanie Head

Miss Head
Green Jays
