Newsletter 4

The Values theme this half-term: Joy and Happiness

Value of the week: We are Confident in Ourselves

Dear Parents and Children

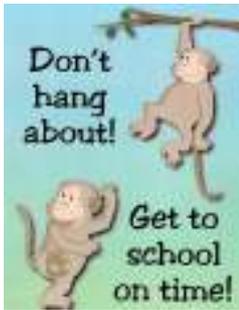

Time is flying by so quickly as we say goodbye to September and welcome to October - it will be Christmas before we know it! Before we start this week's newsletter can I just thank all of the staff for their support so far as things get moved, changed, altered, played around with and, sometimes, removed within school. They are all being wonderful in putting up with me as we change a few things around school - all for the benefit of the children! Sincerely, thank you!

Our Outstanding Pupils of the Week

It is always lovely to see the pride in the children's faces when they wear their green jumpers around school so well done to this week's Stars!

'Children are at the heart of the decisions we make'

Be in school on time please!

Please could I encourage everyone to make sure their child is in school on time as a late start really disrupts your child as well as disrupting the rest of the class. This means that lessons start later than planned and then become rushed. School gates are open ahead of the 8:45am start so please do come a little earlier and then we can get the children in promptly and all settle down to learn as quickly as possible. Please can we also remind parents that school finishes at 3:15pm and children need collecting on time. Thank you.

STEM Day at Furness College

This week Year 5 and 6 have the opportunity to go to Furness College for a STEM activity day. This is a marvellous experience for all of the children but we cannot take them unless the form has been signed by their parents and returned so please make sure all forms are back in. Thank you!

New School Prospectus

This week we are launching our new School Prospectus and a copy will be coming out to all families. Please do have a good look through it and share with anyone who is looking for a place for Nursery or Reception next year, or indeed looking right now. North Walney is a fabulous school and we want to share our brilliant name and successes with everyone!

School Photograph Day - Monday 10th October

Rose and Sons are once again taking our school photographs this year and will be ready and set up for anyone who wants a family photo of all of their children before school starts. Children need to be ready with smiles and looking smart.

Flu Vaccinations

Forms for this year's flu vaccination programme for Years 1, 2 and 3 need to be back by this Wednesday 5th October please. This year the vaccine is in the form of a nasal spray.

Yours sincerely,

Paul Slater
