7<sup>th</sup> October 2016

Dear Parent/carer,

Due to Governments cuts we regret that we can no longer offer free fruit at snack time. Instead we are asking for voluntary contributions of healthy snacks, to share throughout the week.

These could be:-

Apples, bananas, oranges, pears, melon, tomatoes, cucumber (or other fruits your child may like) carrots, peas in pods, cheese, crackers, breadsticks or bread and butter. Please do not bring biscuits or cakes as we only have these on special occasions (such as birthdays) We will still provide Milk and water at snack time. We will have a fruit bowl for your contributions in class.

As we try to get out on little trips as often as we can, to learn from our outdoor environment, can we ask if you are running late or are not attending Pre-school for your session, please could you ring the school on 471781 to let us know as we might be catching a bus or out walking and we could possibly miss you.

A reminder about charges. Paid sessions must be paid for on time. If you are having a cooked school lunch these must be paid for on the day they are taken or in advance. This will avoid any disappointment of refusal for these sessions and extra charges being added to your invoice. If you are struggling to make a payment please see Mrs Malone in the office or Michelle to see what can be organised. As from 10<sup>th</sup> October there will also be a charge for late collection of children. This will be £3 every half hour over. Please collect your child promptly at the end of the session.

Thank you

Michelle and Debbie
