Celed Rocks Workshop for Y 3 / 4 Pupils

Wednesday 1st March

**This form must be returned to school by: Monday 27th February
2017**

Dear Parents and Children

It is proposed that **Year 3 and 4** will be having a visit from **Celed Rocks** as part of our science topic on rocks. The cost per pupil for this activity is: £3.50

Celed Rocks offer **geology** and **Earth science** experiences for primary school children. The purpose of the workshop is to consolidate our learning on volcanoes and introduce our new science topic on 'Rocks'. This will be an exciting hands on experience for the children with the opportunity to participate in a wide variety of practical activities.

We would like to thank the PTA who have kindly donated money towards the workshop meaning we can keep the cost at just £3.50 per child.

Yours sincerely,

Miss Usher and Mrs Hodgkiss
