The Values theme this half-term: Pride and Responsibility

Value of the week: We take pride in supporting each other

Dear Parents and Children

I start this letter with the hope that our Ofsted report will be out later this week so that everyone can see how far the school has moved forward in such a short space of time. As the inspector kept telling us when he was here, the important information will be in the detail of where we are now and where we are clearly going in the future. So...hopefully it will be with you this week once I have been given the go ahead to send it out.

Green Jumpers - Stars of the Half Term

Well done to the children who showed their pride in our school this week!

'Children are at the heart of the decisions we make'

Red Nose Day - well done everyone!

Not only did we have to order more Red Noses because they sold out so fast, but the whole school raised a super £335 for Red Nose Day by dressing up in their bright clothes. Well done everyone and there are picture already on the school website and Twitter feed. A super amount!

Sponsored Walk/Jog/Run

After such a lovely weekend of sunshine, I've got my fingers and toes crossed that the weather will stay fine for our Sponsored event tomorrow afternoon. If anyone is free to come along and help or support, it would be wonderful to see you! If it does rain a little - then we plan to carry on regardless! Please remember outside PE kits on the day!

Contact Details and Data Collection Sheets

Have you sent yours back in yet? Please make sure you do so that school has the most up to date details for you! This is especially important if your child has an accident and we need to get hold of you - if the numbers don't work then it causes a lot of distress for your child. Please make sure your sheet is checked and sent back in. Thank you.

Maths Workshop of Year 2 parents

Miss Mountford is running a short workshop for Year 2 parents on Thursday morning at 9am for anyone who can attend. This is so she can go through what the children are currently being taught and the methods we use in school for maths. Please do attend if you can.

Mothers' Day in Wagtails

If you haven't seen the Twitter pictures yet then please do log in and have a look as they are lovely! Thank you to everyone who came along and made the Mothers' Day lunch in Wagtails so special!

And finally...

Please remember that I am not in school next week because of the differences between Lancashire and Cumbria holidays for Easter - however, Miss Mountford is still able to get hold of me if need be. I hope everyone has a wonderful Easter holiday when it arrives on Friday 7th April (don't forget school finishes at 1:15pm on that day) and I will see you all back in school on Monday 24th April as usual.

Yours sincerely,

Paylatz
