Thank you so much for your support last week for Red Nose Day.

We hope you all had a lovely Mother's Day and the children remembered to sing the song that we learnt last week!

Literacy

In literacy this week we will be looking at non-fiction books about Spring and plants. We will be labelling plants and practicing our handwriting.

Maths

In maths this week we will be focusing on money. We will use combinations of coins to buy things in our 'shop'. We will count 1p coins and exchange them for 5p and 10p coins. We will have a go at sharing combinations of coins between teddies ensuring that our sharing is fair. You might want to let your child have a go at paying for items in the shops by using different coins.

Topic

This week we will be learning about Spring. We will talk about what we can see and hear during this season. We will make observations of Spring plants and have a go at painting some to brighten our outdoor space. If over the coming weeks you have any spare or left over plants that you could donate to school to brighten our playground, they would be gratefully received thank you.

The sponsored run/walk is tomorrow, Tuesday 28th March in the afternoon. Reception will change into their PE kits. Nursery can come to school in suitable running clothes and footwear. Please bring your child's sponsor form in. If you have lost this, please see Mrs Malone for a new one. All money raised will be used for new equipment in school.

School closes at 1.15 pm on Friday the 7th April for the last day of term. This means that all children need collecting at 1.15 pm meaning a short session this day for Nursery.
