

Looking for 2, 3 or 4 year old childcare?

Looking for an amazing school which puts your child's learning and development at the centre of its thinking?

Thought about North Walney and then dismissed us?

Then Think Again!

North Walney is back on the map and here to stay!

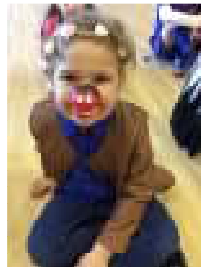

With a new Headteacher and a recent Ofsted which praised the strong quality of leadership and learning for 2-5 year olds and a strongly developing curriculum for the whole school.

A report which shows how strong and effective pupil welfare and support is and a report which supports the fundamental new aims of the school as we move forward into 2017-18.

North Walney is a school to choose and a school to visit –

so why not contact us and come and find out more! We'd be glad to show you round and discuss anything you and your child need to help you make the best start at Primary School possible.
