

Dinnertimes

A note about our fantastic school lunchtimes.

All our lunches are prepared in the school kitchen by Dolce , Children can order food both at home and in school , however it is nice to sit at home and choose meals together.

Ordering can be done daily or weekly , the only thing is we ask is that if your child isn't in school or has decided that a packed lunch is the choice of that day , a meal is cancelled, this helps keep the waste and the cost of providing school meals – you can cancel a meal up to 8.55am on the day

Menus are available in school and also on line at www.livekitchen.

Prices currently are £2.40 and £1.90 for Pre-school and nursery, these can be paid daily /weekly in school at the front entrance in our red post box or paid online .

If your child decides that he/she would prefer a packed lunch from home we do have a few guidelines , no fizzy drinks or energy drinks , sweets and chocolate bars are not the best choice. Also remember a spoon if a yogurt is part of the lunch .

Lunch boxes and juice bottles , remember to put names in bags and boxes as we want to be able to return these items to the correct classrooms.
