Residential Visit to Water Park – Years 4 and 5

Dear Parent/Carers,

I am pleased to inform you that we have booked a residential visit to Water Park for all the children in years 4 and 5. The trip is booked from the Monday 22nd January 2018 – Friday 26th January 2018. Water Park is an activity centre situated on the south-east shore of Lake Coniston. The children will get to experience many outdoor/adventurous activities and in previous years the children have had a fantastic week.

The total cost of the trip for our school is £7050 but the Eric Wright Trust have agreed to help with the funding and therefore the cost for your child to take part will be £85. This includes all meals, tuition and transport.

The Water Park staff are setting up a timetable of activities for the week that will include climbing, ghyll scrambling and abseiling. I will be able to provide a detailed copy of the timetable closer to the time. Water Park completes all the necessary risk assessments and qualified instructors lead all the activities.

Water Park provide all specialist equipment including, waterproofs, hats, gloves, fibre pile jackets and rucksacks. However, it is essential that children have warm, comfortable clothes such as jumpers and jogging bottoms. You do not need to buy any specialist equipment.

If you would like to secure your child's place, please complete all the forms using black ink and return to the school office along with a £10 non-returnable deposit.

If you would like to know more before booking please don't hesitate to come and ask or alternatively visit the Water Park website www.waterparkadventure.co.uk

Yours sincerely,

Christine Mountford
