We hope you had a fabulous Mother's Day and that the children gave you the lovely gifts they had made.

Our topic this week is all about birds. We will be talking about how many birds we know the names of and seeing if we can find out some information about birds that are new to us.

### Literacy

We will be writing lists and instructions, reading stories about birds and looking at non-fiction books about birds.

### Maths

In maths this week we will be ordering numbers to 20 and talking about one more than, one less than, two more than and two less than. We will be comparing numbers and saying which is the greatest.

### Topic

We will be making bird feeders using lard and birdseed and spreading peanut butter on stale bread to feed to the birds in the playground. We will be looking at images of birds and listening to the different songs that the birds sing. We will be counting how many of each bird we can see and looking at our bulbs that we planted in Autumn time.
