Literacy

In literacy this week we will be looking at non-fiction books about Spring and plants. We will be drawing and labelling plants and practicing our handwriting.

Maths

In maths this week we will be focusing on money. We will use combinations of coins to buy things in our 'shop'. We will count 1p coins and exchange them for 5p and 10p coins. We will have a go at sharing combinations of coins between teddies ensuring that our sharing is fair. You might want to let your child have a go at paying for items in the shops by using different coins.

Topic

This week we will be learning about Spring. We will talk about what we can see and hear during this season. We will make observations of Spring plants and have a go at painting some.

The sponsored run/walk is tomorrow, Tuesday 20th March in the afternoon. The children can come to school in their sports clothes and suitable running shoes ready for the afternoon. Please bring your child's sponsor form in. If you have lost this, please see Mrs Malone for a new one. All money raised will be used for new equipment in school.

The annual Easter Egg decorating competition is on Thursday 29th March. Please bring entries to school on this day. There will be a special assembly at 11.00 to award the prizes. Everyone welcome to attend.

School closes at 1.15 pm on Thursday the 29th March for the last day of term. There will be no afternoon session for Nursery this day. If your child attends for the 30 hour funded sessions, they will need collecting at 1.15 pm please.
