Monday

Monday 28th
May to Friday
1st June -
Whit Week
holidays

Swimming for
Reception
every
Thursday.
£2.00

PE for
Reception
every Friday.

Topic

We continue our 'Heroes' topic this week focusing on those who help us in school. We will talk about how we care for our outdoor environment as well as our indoor environment and the importance of taking pride in both.

Literacy

We will be talking about the roles that the adults in our school have and how many of our adults take on more than one role such as Jenny cleaning our classroom, looking after us at lunch time and accompanying us every week to go swimming. We will continue to move forwards in phonics. Reception will practice reading and writing words with four sounds in and Nursery will segment the sounds in simple words such as map, pin and pig. Our younger nursery children will listen for sounds in the environment and the initial sounds in words.

Numeracy

In numeracy this week we will solve simple number story problems. The children will be encouraged to count on to solve these. We will also be playing card games such as higher/lower and 'Beggar my neighbour.' You could look up the rules for these simple games and play them at home.
