The Values theme this half-term: Respect

Value of the week: I always listen to others

Dear Parents and Children

Apologies to all Year 6 parents about the Year 6 London Trip. In my head I had already sent out the date but clearly I hadn't and sorry if this has caused any confusion. Hopefully everyone now knows that we are going on Wednesday 23rd May – not long to go now! A letter with all of the details was sent out last week so please make sure you have read it and know what time your child needs dropping off and picking up please!

Green Jumper Winners!

Well done to all of our well-mannered pupils as they practised all of their 'Pleases' and 'Thank You's'.

"Creative Learning, Quality Education, Achieving Dreams"

Ofsted 2017: 'Early Years continues to be strong and the management of teaching is stronger and more effective having transformed in a surprisingly short period of time. Everyone has faith in the school which has strong pupil welfare and safeguarding with great sensitivity and caring shown to all pupils.'

Coniston to Barrow Walk

Less than two weeks to go now and we are still trying to raise as much money for the school as possible. If you know of any businesses who would like to sponsor us, or any relatives, or if you would like to sponsor the team then please either log on to <https://keswick2barrow.co.uk/walkerdonation> and you can search for any of the team (full list below). Or you can send your sponsor money in to school in an envelope and we will add it to our total. Any help you can give is greatly appreciated as we want to raise as much as we can for our fab school.

Thank you!

Year 5 were Stars at Walney

Well done to all of the Year 5s who had a fabulous time at Walney and were congratulated on their marvellous attitude and wonderful behaviour. Not only is it great for them to experience the high school, but it is great to be able to be involved with the high school more and more. Thank you for inviting us – and thank you children for being simply fantastic!

Asthma inhalers

Please remember that if your child requires an inhaler then we need to know about in school and we need one sent in please. Last week, one of the children needed their inhaler but we did not have one in school for them. Please, please make sure your child's records are up to date and show they have asthma – and please then send an inhaler in to school. Thank you.

Forms needed to be sent back please!

Please make sure you have signed the Iodine tablet form and the new GDPR forms and sent them back into school. We must have these forms back as soon as possible please.

Scholastic Book Magazine

Completed orders and the money needs to be returned to school by 11th May. Many thanks to the PTA for organising this for the school as we keep encouraging all of the children to read as much as possible.

The sun is shining – and the weather forecasters have said it will be all week!
 Please don't forget when the weather gets better that the children may need suncream and hats. I know its early but the other day was quite hot for April and we sometimes forget that it can still cause a problem for some of the children.
 Thank you.

Karate

The club re-starts on 3rd May after school for all of those who attended last term. If you are interested in your child starting, please let us know and we will notify you when a space comes up.

Video Games Club for Year 5/6

There are still 4 places left if anyone else is interested in joining the new Video Games club which started last week. Talk to your class mates and find out more about it, or sign up and come along for a try!

And finally...

Don't forget that Monday is a Bank Holiday so school will be closed – so I hope you all have a good weekend and we will see you on Tuesday 8th May. I am sure the North Walney Walkers will all be out on their last weekend of practising before the big day on Saturday 12th May! Not long to go now!

Yours sincerely,

Paul Slater
