

21st May 2018

Nursery and Reception class news

Dates for your diary:

PE for Reception on Friday morning but after half term this will return to a Tuesday afternoon. No earrings please.

Swimming for Reception on Thursday afternoon - no earrings please.

Friday 25th May
- Class photographs.
Clean uniforms and big smiles please!

Monday 28th May to Friday 1st June - Whit Week holidays.

Topic

This week our focus is 'The Fire Service' and we will be reading lots of stories about the fire service. We will also look at non-fiction books and find out information about them. We will use our dressing up costumes to act in role and set up a fire station. We will talk about how the firefighters keep fit and set up a keep fit obstacle course to complete. We will also be talking about the Great Fire of London and how this established the need for the fire service in the first place.

Literacy

We will continue to practice our phonics every day. Reception will continue to learn how to read and spell some new tricky words. We will be writing about the photographs that were taken on Friday when PCSO Phil Sullivan came to visit us and write a thank you email to him.

Numeracy

Nursery will be practicing number recognition by playing bingo and completing number challenges. Reception will use their subtraction skills to solve simple number problems set in stories. They will practice counting back from a number to subtract to find the answer.

Our weather continues to be very changeable and we can see weather from one extreme to the other. I ask that you plan for all eventualities at the moment and send your child equipped for the rain and the sun please so make sure they have a coat, sun hat and sun cream. Thank you.

If you have any unwanted summer hats or caps that you could donate to school, we would be extremely grateful. Enjoy half term.
