Assessments:

LKS2 assessments occur at the end of modules or units of work. Teachers read the questions and sufficient time is given to the children to complete tasks.

Data about your child's progress is submitted to Mr Slater each half term.

You can come and see me about your child's progress or see their books at any time.

In the spring/summer term of 2020-Year 4 will take part in the national times tables tests (current year 3).

Reports explaining working towards, expected and greater depth bands will be sent out with end of year reports.
