Dear Parents

I am absolutely delighted to announce that, in association with the Greggs Foundation, we will be offering a TOTALLY FREE breakfast club at school from Monday 29th October. It will still be run under the Natterjacks name and by our Natterjacks staff but all of the bread will be provided by our local Greggs store and the Greggs foundation will be providing money for cereals, juice and other breakfast delights - all at NO CHARGE to you!

This is a chance for all of our pupils to join us for breakfast each and every day and start the day off well and ready to learn and enjoy being in school. The Greggs Foundation are also providing us with some start-up money towards new games, new equipment and new activities for the children as well as new food storage facilities. I cannot thank the Greggs Foundation enough for this wonderful opportunity for our school.

In order for your child to attend, you will need to make sure you have completed a Natterjacks Admissions form (which you can collect from the school office) as we need these for our own records. Of course, this then means you can also access the excellent after-school club that we running each and every day - maybe using the money you used to use for Breakfast Club to allow your child to come to the after-school club? *Sadly Pre-School and Nursery children, unless already arranged, will not be able to use the Breakfast Club due to staffing costs for younger ages.*

This is an incredible opportunity for North Walney pupils and parents and I am looking forward to seeing many of your children join us in the future!

Yours sincerely,

"Creative Learning, Quality Education, Achieving Dreams"

Ofsted 2017: 'Early Years continues to be strong and the management of teaching is stronger and more effective having transformed in a surprisingly short period of time. Everyone has faith in the school which has strong pupil welfare and safeguarding with great sensitivity and caring shown to all pupils.'

It's fun, it's free and it's for everyone

The Greggs Breakfast Club scheme provides a simple, nutritious breakfast to children in selected primary schools. Thanks to the generous assistance of volunteer helpers, Greggs are able to provide this breakfast free of charge.

Eating breakfast has been shown to make a difference to children's concentration in lessons and may have longer-term learning benefits. What's more, coming to the Breakfast Club is a lot of fun!

The Greggs Breakfast Club - a good start to the day!

Our GREGGS breakfast club runs between

7:45 - 8:45am
