

1st October 2018

Nursery and Reception news

In class this week

We will be having a yucky mucky bug week! We will be reading lots of stories about lots of bugs and minibeasts. We will be going on a bug hunt in the playground and using our magnifying glasses to look at them. We will be singing a song about ants marching one by one. In literacy we will be learning the names of some new Oxford Reading Tree characters. We will find out about Kipper's sister and brother, Biff and Chip.

In maths we will be talking about numbers and thinking about the number that comes before and after a number so that we can order numbers correctly.

On Monday, 8th October, the school photographer will be in school to take individual and family photographs.

On Friday 12th October we will hold our annual Harvest Festival in the morning. We would welcome donations of tins and packets for the local food bank please.

If you have any unwanted rolls of wallpaper or lining paper that could be donated, we would be extremely grateful. The children love mark making on a big scale and this is perfect for it.
