

19th November 2018

Nursery and Reception news

Dates for your diary:

Tuesday

Reception need their PE kits on their pegs please.

Friday

Thank you so much for supporting 'Children in Need'. We thoroughly enjoyed seeing everyone's nightwear.

13th December

Christmas Fayre in the school hall after school.

Literacy

This week we will be reading story books about going to the park. We will be ordering words to make sentences and writing sentences about our favourite things in the park. We will talk about the materials that are used to build parks. You might want to talk about the different materials that your homes are built from. Ask questions such as; Why are windows made from glass?

Maths

In maths we will be introducing the topic of money. We will be looking at the different coins and notes that we use and have a go at sorting them. We will be using £1.00 coins and £2.00 coins to buy things from our pretend shop. When you are out and about with your children you might want to let them pay for some shopping in the shop with some coins. Talk to them about the different coins that you have in your purse or pocket.

Topic

This week we will be investigating materials. We will look at how plastic waste is finding its way into the sea and the damage it is doing. We will talk about why different materials are used for certain things and make our own recycled plastic boats.

The PTA Christmas Fayre will be on the 13th December. Each class is asking for donations to make a hamper for the raffle on the night. Nursery and Reception are collecting donations to make a Girls' Hamper. We would therefore be grateful if you could donate small items such as hair bobbles, hair slides, bubble bath, books, or anything else that you can think of that would be appreciated by a girl.
