

North Walney Parents' Questionnaire

As parents of children at North Walney, we wanted to know if other parents or carers had the same thoughts about the school as we do. We've put this questionnaire together and would love to hear your views. Names aren't necessary and every single answer will be passed to the Governors and Mr Slater so that they have an honest view from us all. Please send back into the school office when you have completed it. Thank you!
