## Literacy

We will be doing lots of speaking and listening this week and talking about how wonderful our Mums, Nannas and Grandmas are. Reception continue to revise the letter sounds that have been introduced and practice reading and writing words with two syllables such as sandpit, desktop and windmill. Nursery continue to practice our good listening and turn taking skills. They will learn the letter sound 's' and sort objects that begin with 's' and those that don't.

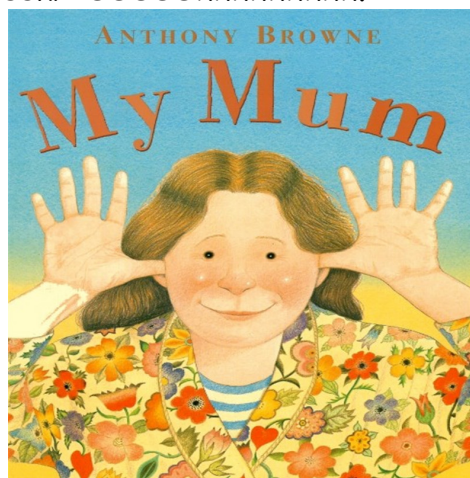

## Maths

In maths this week we will be learning about time. We will talk about o'clock times and play games to help us to remember our learning.

You might want to talk to the children about the things they do at different times of the day. What time do they get up? What time do they go to bed? We will also be learning the days of the week and the months of the year. You can practice these at home too.

## Topic

Topic is top secret this week! SSSShhhhhhhhh.

We hope you all have a lovely Mother's Day at the weekend.
