Parking in and around school

Thank you so much for your co-operation in regards to the closing of the back playground for parking. I feel that this was a wise decision and has made things much safer for our children. I am very aware that Duddon Drive gets very busy during drop off and pick-up times and that this can sometimes be an issue. I've contacted the Parking Team Leader at Cumbria County Council for advice. The parking will be monitored by the council and our local PCSO. In the mean time you may see cones out side of school in certain areas where cars are not able to park. Thanks for your help once again. *Miss Mountford*
