Dear Parents/ Carers,

You will all be aware that our Friday celebration assembly focuses on weekly values. The value for the week is introduced every Monday morning. Children have chance to discuss the value and how they can show that they have this quality in their behaviour.

It is important to know which values we feel are most important for our children here at North Walney. Please can you look thought the words below and see if you agree that these are important values to be taught to the children in our school. If you think of any others, please add them to the list and return to school.

Honesty, respect, kindness, friendship, courage, care, peace, hope, love, happiness, thoughtfulness, responsibility, tolerance, patience, freedom, appreciation, understanding, perseverance and trust.

Many thanks,

Chris Mountford.

I would like to add the following words to be included with in the Values curriculum taught at North Walney.
