

20th May 2019

Nursery and Reception class news

Topic time

This week the children have decided that our topic will be 'dogs.' We will talk about domestic and wild dogs and the similarities and differences between the two. We will talk about pet dogs that we may have at home and how to take care of them. If you haven't already sent in a picture of your pet dog, please do so. We are going to have a game of 'Guess who the dog belongs to?' Our origami was so fabulous last week that we are going to have a go at folding paper to make a dog's head. Thank you for all the Hairy Harry hair cutting photos you have sent in.

Literacy and Numeracy

We will be reading lots of dog stories and looking at non-fiction books about dogs.

In maths, Nursery will be doing some very simple data handling activities. They will build towers of blocks to see how many children have a pet dog. Reception will be practicing their number facts and learning to solve simple single digit subtraction sums by collecting resources to find out how many are left. We will then have a go at counting back to find the answer.

Thank you for your chocolate donations for our non-uniform day last week.

Friday 24th May - The School photographer will be in school to take class and group photos. Make sure you have your smiles with you. School closes for Whit week holidays for one week.

Friday June 7th - Walney Gala Clubbercise in the school hall. 4.00 - 6.00. All children to be accompanied. £2.00 a ticket available from Mrs Mac.
