Beck's from Transfigure managed to get everyone up to dance their socks off and you helped to raise over £80. After a busy week voting in school for Gala Royalty our children decided they would like to see King Harvey and Princess Violet at Walney Gala on Sunday 7th July. Well done to Harvey Robinson from Year 4 and Violet Tucker from Reception. Thank you to all other children for entering and it was lovely to see you all congratulate our winners on the night. PTA</p>
	<p>KS2 Women in engineering STEM day. On Mon 17th June, children in years 3,4,5 and 6 will be taking part in a STEM workshop. This is a wonderful opportunity for our children and we are happy to welcome RAF STEM representatives into school to deliver this full day workshop. Perhaps by the end of it we will have some budding engineers! All resources are provided; however, we have been asked if children can bring in any empty 2litre pop bottles pls. We will need these in school and ready this Friday! Thank you for your support. Miss Usher</p>
